DIR Contract Information

Sigma Surveillance is pleased to offer one of the largest breadths of surveillance products and services on the DIR surveillance contract today. This contract site will provide you with a host of information on:

- How to order
- What manufacturers products are available on the contract
- Services available on contract
- The discounts that were awarded
- See a calendar of events targeted at DIR eligible customers
- DIR Contract Site and Details

Contact Sigma Surveillance today to learn more, obtain references, schedule a demonstration or site survey, or if you have any questions. We are strong promoters of the DIR contract and understand its value to you and your organization. We specialize in project & procurement planning; project management & consulting; turnkey deployments & box sales; as well as tech support and warranty maintenance. We believe Surveillance never has to be daunting with a partner such as Sigma Surveillance on your side!

Featuring our Flagship DVR & IP (NVR) Lines

Contact Us

Please feel free to call w/ any questions or visit us for discussions and demonstrations at:

1081 Ohio Drive, Suite A
Plano, TX 75093

DIRECTIONS:

We're located right off of President George Bush Turnpike (190) in Plano, TX. Exit Preston Rd, and turn north. Make a right on Plano Parkway, and another left onto Ohio Drive. We'll be the last building on your right before the train tracks.

For more information call our main number at (972) 392-3635 or see below for other contact information.
